

中国（上海）机器视觉展暨
机器视觉技术及工业应用研讨会

China (Shanghai) Machine Vision Exhibition

And Machine Vision Technology & Application Conference

上海新国际博览中心 N2 馆 (机器视觉会议室) 2017 年 3 月 14-16 日

China (Shanghai) Machine Vision Technology & Application Conference

Title: Development and Application of Visual Industrial Robot Technology

Academic exchange		
3/14/2017	Topic	Speaker
9:30 - 10:10	Robot Vision and Application	The Chinese University of Hong Kong Professor Liu Yunhui
10:10 - 10:50	New IDS Ensenso 3D - X series	Pixxel Technology Co., Ltd. Lihua Sun , Product Manager
10:50 - 11:30	ProSight - Smart Your Design	Shanghai Ro-Intelligent System Co., Ltd Anqi Shen, BU Manager.
11:30 - 12:10	Ethernet Evolution - Are We Ready for 10 Gige?	FLIR (formerly Point Grey) Brian Feng , China Sales Manager
12:10 - 12:20	Raffle: By the FLIR (formerly Point Grey) exclusive sponsorship and extract the lucky participants	
12:20 - 13:30	Lunch break and visit the exhibition	
13:30 - 14:00	Maintaining leadership in Machine Vision	Matrox Mrs. Xu Chen Asia Pacific Regional Sales Manager
14:00 - 14:40	E2V industrial Area scan sensor new technology including smaller pixel size Emerald 16MP/12MP/8MP series and 3D	e2v technology Tracy Dai , Asia marketing manager
14:40 - 15:20	The application of smart camera	Shanghai Zhijin Information Technology Co., Ltd. Peigang Wen , General Manager
15:20 - 15:50	Deep Learning in Machine Vision	MVTec Software GmbH Mr. Torsten Wiesinger , Sales Director
15:50 - 16:30	The Application of 3D Measurement based on Machine Vision	Beijing Sanbao Xingye (MVLZ) Vision Tech. Co. Ltd. Mr. Tie Wuhui Shanghai Office Technical Manager
16:30 - 16:40	Raffle: By the FLIR (formerly Point Grey) exclusive sponsorship and extract the lucky participants	
16:40 - 17:00	Visit the exhibition	

中国（上海）机器视觉展暨 机器视觉技术及工业应用研讨会

China (Shanghai) Machine Vision Exhibition

And Machine Vision Technology & Application Conference

上海新国际博览中心 N2 馆 (机器视觉会议室) 2017 年 3 月 14-16 日

Application case and product technical		
3/15/2017	Topic	Speaker
9:30 - 10:10	Deep learning method for visual inspection application	Hong Kong Applied Science and Technology Research Institute Dr. Zou Wei Wen , Manager
10:10 - 10:50	Design and application of high uniformity LED lights.	Rsee Lighting Technology Co., Ltd. Dr. Wang Hua , General Manager
10:50 - 11:30	E2v line scan technology	e2v technology Tracy Dai , Asia marketing manager
11:30 - 12:10	3D!	Vanch Technology Co., Ltd Henry , General Manager
12:10 - 12:20	Raffle: By the FLIR (formerly Point Grey) exclusive sponsorship and extract the lucky participants	
12:20 - 13:30	Lunch break and visit the exhibition	
13:30 - 14:00	Sensing and Robotized for Farming	PHOTONFOCUS AG Mr. Sergio Manuel Overseas Sales Engineer
14:00 - 14:40	3D Optical Metrology with various methods	JM Vistec System Dr Chen Lu Jie , Consultant
14:40 - 15:20	Gocator 3D smart sensor technology introduce	LMI Technologies Inc. Michael Chen Regional Development manager
15:20 - 15:50	Innovation in a new dimension with Basler ToF 3D cameras	Basler China Scott Liu , Key Account Manager
15:50 - 16:30	Teledyne DALSA extends technology - infrared camera and smart sensor	Teledyne DALSA Michelle Ye key account Manager, China-OEM products
16:30 - 17:00	How to quickly build selection and evaluation program	LUSTER LightTech Group Rooney Wang Machine vision industry director
17:00 - 17:10	Raffle: By the FLIR (formerly Point Grey) exclusive sponsorship and extract the lucky participants	
17:10 - 17:20	Visit the exhibition	

中国（上海）机器视觉展暨
机器视觉技术及工业应用研讨会

China (Shanghai) Machine Vision Exhibition

And Machine Vision Technology & Application Conference

上海新国际博览中心 N2 馆（机器视觉会议室） 2017 年 3 月 14-16 日

Application case and product technical		
3/16/2017	Topic	Speaker
9:30 - 10:00	VIDI - New application of Artificial Intelligence using in Machine Vision field	Beijing Microview Science and Technology Co., Ltd. Bill Ouyang Vice-General Manager/Sales Director
10:00 - 10:40	The utilization of optical elements in the modern optoelectric measuring	Shenzhen Cuttylight Technology Co., Ltd Victor Fan , Director
10:40 - 11:20	Vieworks New TDI Camera and Innovative Technology Introduction	Vieworks Co., Ltd., Harry Chen , Sales manager for China
11:20 - 11:50	The wide range of high-speed imaging system	LUSTER LightTech Group Mr. Fu Guohao Business Development Manager
11:50 - 12:20	Robot Guidance Solution Based on 3D Vision Boosts Robotic Smart Bin-Picking Application	Daheng Imaging Mr. Yang Yongyong 3D Product Line Product Manager
12:20 - 12:30	Raffle: By the FLIR (formerly Point Grey) exclusive sponsorship and extract the lucky participants	
12:30 - 13:00	Lunch break and visit the exhibition	
Camera standard topics		
13:00 - 13:45	Interpreting the AIA camera interface standard	AIA Mr. Bob McCurrach Director of Standards Development
13:45 - 14:30	Interpretation of the EMVA1288 camera standard	LUSTER LigthTech Group Mr. Zhang Yong , Chief engineer
